Full-Day Educare Program

Students will be guided in their particular school's virtual learning program. Their room monitor will ensure their schedule is followed, assignments are being completed, and your child is engaged and attentive with their virtual classes. Our facilitators on site will also be able to assist with any concepts or questions your student may have.

As part of their daily curriculum, students will have structured physical education as their schedule permits, and even have free recess time in our 60,000 square foot facility!

This program is limited to 30 students total (6 per classroom), on a first-come first-served basis

**\$275/week for Members
Mon-Fri - 7:30AM-3:30PM**

P.E. Program - 90 Minutes Per Week

While students learn from home virtually, now more than ever their physical education and physical activity is critical.

In our specialty P.E. classes, your child's micro-group will engage in socially distanced physical fitness, within their own isolated and sanitized learning space which is fully disinfected and sanitized between each group. Classes are once per week.

Birons is an official Off-Campus P.E. location for Spring Branch ISD and Houston ISD.

This program is limited to 8 students total per class, on a first-come first-served basis

**\$75/month for Members
1.5hr Class Options Each Weekday**

The Birons Difference

- ✓ Birons is proud to be one of the few facilities licensed by the Texas Department of State Health Services
- ✓ Families and groups can coordinate with Birons to reserve classrooms or PE classes just for their 'social bubble'
- ✓ Maximum 6 students per classroom, and 8 per P.E. class
- ✓ Dedicated room monitors and additional teachers to assist with virtual learning, assignments, and technology for Full-Day Program
- ✓ Unparalleled space for socially distanced physical fitness and education as part of, or in addition to, the virtual school day. Educare Programs follow the Birons Health Handbook.

Full-Day Educare Program

Students Provide

Students and their family must meet all requirements in the Birons Health Handbook. Requirements vary based upon health level (Red through Green)

Students must supply all their own learning materials

Students must supply any technology or devices required for their learning platform, as well as headphones (these are mandatory!)

Students must bring their own snacks, drinks and lunch

Birons Provides

Birons will provide the separate classroom learning spaces for each assigned cohort

An adult room monitor will be assigned to each classroom cohort

Floating Academic Facilitators will be available to help with questions or concepts in assignments.

Birons will provide direct ethernet / power connections for each student, and a dedicated wifi network for each classroom.

Physical Education Program

Students should come dressed and ready for PE, in order to limit their time in the facility. Students must bring their own water bottle.

While activities will use some dedicated matting and spaces from our sports programs, the curriculum will be focused on a wide range of strength, endurance, flexibility, and fine & gross motor skills.

Students will perform all activities and workouts according to the active health level and protocols outlined in the Birons Health Handbook.

Class Times: Monday - Friday

8:45AM - 10:15AM

10:45AM - 12:15PM

1:15PM - 2:45PM

Students will attend one class per week. You must be registered beforehand to attend.

Birons Health Handbook

The Birons Health Handbook outlines all policies and procedures that Birons, our students, and our families must take to provide the safest facility and learning environment for our children and the community. The current active level can be found by visiting the Birons website (www.birons.net). The active level will be changed based on the guidance and requirements of local and state health authorities.
